III. INCIDENT INFORMATION

A. Incident Category

The site is a defunct metals plating facility.

B. Site Location

1. Site Description:

The Tilton Plating site is a defunct plating facility located in a residential neighborhood in Tilton, Vermilion County, Illinois (latitude 40°6'12"N, longitude 87°38'44"W). The facility consists of a 40-foot by 40-foot building and surrounding land. The site is bordered by a residence to the south, a residential street to the north and east, and a railroad to the west.
